

# PAAVAI COLLEGE OF ENGINEERING

## EVENTS 2014-2015

Dear Parents and Students !

Greetings from Paavai Chairman !

I am immensely happy to meet you again through this Newsletter 2014-2015. This Newsletter, now in your hands, is a record of all the academic, curricular, co-curricular and extra-curricular activities and events that have taken place in our Paavai Engineering Institutions during the academic year 2014-2015. All such events have been organized and conducted with the intention of igniting the 'Spark' in the minds of our students.

Of late, it is generally assumed that technical education is slowly losing its sheen but the fact is that it is really gaining its momentum more and more. The present prevailing situation is only a tentative setback. A nation cannot scale its heights without

science, engineering and technology.

India is progressing at a phenomenal speed. Since India is developing and getting modernized, there are vast number of facilities and opportunities, particularly in the area of manufacturing. The technical institutions are expected to bring the whole practice of manufacturing into the classroom context through skill development using trained and certified industry faculty. Then only our education would become meaningful by translating our Prime Minister Modi's slogan 'Make in India' into reality.

Now -a-days, interdisciplinary research plays a seminal role in technological development and it is the joint responsibility of every stakeholder – educationists, academics, faculty, students and so on. It gains currency in the modern scientific and technical scenario. For instance, research in nano-technology spans across an array of fields such as health, environment, agriculture, food and beverages, power generation, space technology, forensic science, electronics and communication etc. We have to think and link to find out the inter connectivity in different branches of knowledge.

It is a big credit to Paavai and we all feel proud to know that Paavai Engineering College has been accredited with 'A' Grade by National Assessment and Accreditation Council. Another milestone of Paavai Engineering College is that University Grants Commission has granted Autonomous status and Anna University, Chennai, has endorsed it.

It is evident from the variety of activities that Paavai is caring very much to cater to the needs of the students. Paavai students are exposed to listen to the experience, valuable thoughts and the success stories of great personalities, educationists, scientists, administrators, chief executives, motivators, TV anchors, writers, speakers etc.

In addition to the technical advancements and westernization of education, we have to remember our traditional pattern of education also. Real education means value-based education which includes character formation and development of all round personality. Real education aims at quantifying and measuring the importance of virtues like empathy, compassion, sacrifice, integrity and kindness- all of which play a significant role in living a meaningful life.

Unfortunately, the present day education has been reduced to the level of 'Teaching for Testing' and it is not a wholistic education. Hence, there arises an immediate need for an over-hauling, re-defining or re-designing of our educational curriculum and pedagogic pattern. Before I rap up, I would like you to remember the words of Swami Vivekananda, "Education which does not bring out the strength of character and a spirit of philanthropy is not worth the name."

I wholeheartedly congratulate the Principals, Heads of the Departments, faculty and students for the events conducted during 2014-15 and I expect your continuous support as in the past.

## ICON OF THE INSTITUTION

Paavai College of Engineering is greatly pleased to state that our student Jithu Thomas of final year CSE has remarkably added one more feather to the cap of our Institution by getting selected and working as the Microsoft Student Partner from the year 2012 in a very stiff competition from many colleges. He has rightly certified as the Microsoft Technology Associate (MTA) in the year 2013.

Apart from harvesting a great reward and honour from Microsoft his journey towards achievement further fructified by being the Guinness world record holder for the Windows App Fest contest held in Bangalore in the year 2012.

He has also many more laurels like Successful participant in Microsoft Azure bootcamp in the year 2013, mentored more than 2500 students of Paavai Institutions with various technologies of Microsoft like Windows Phone development and Microsoft Azure through Tech Intro Program. Working as a mentor for Edu-Kinect (a Microsoft Vendor) and doing various training programs across south Indian institutions like MIT Manipal, IIT Madras, Anna University & NITs.

He has Won First Position in Mini Project Contest for the Intra departmental symposium. Currently he is working on a Digi Notification Center Software for the Paavai Placement cell. Most importantly he has immense and immeasurable talent in leading a team towards academics and co-curricular activities.

மேலும், பாவை ஆல்போல் தழைத்து, அருகுபோல் வேரூன்றி, மூங்கில் போல் கிளை கிளைத்து, வாழையடி, வாழையாய், வம்சத்திற்கு வம்சமாய், கற்பக விருட்சமாய், கலைகளின் ஆலயமாய், கலங்கரை விளக்கமாய், மகிழ்ச்சியின் விளைநிலமாய் துளிர்ந்து தழைத்து செழித்து, ஓங்கி உயர்ந்து, நின்று நிலைத்து, நீடித்து இமயமென இருந்து நம் அனைவருக்கும் பயனளித்து, நமது பாவை குடும்பம், பார் போற்றிட திகழும் இந்த நாளில், மகிழ்வுடன் கல்விச் சேவையில் அறிவும், அன்பும், ஒழுக்கமும், அறிவியல் தொழில்நுட்பமும் இணைந்து “ஒரு பெரும் செயல் செய்வாய்” எனும் மகாகவி பாரதியின் மந்திரத்தை மனதில் ஏற்று, கல்வி ஒளி நல்கும் குளிர் நிலவாய், நற்பண்புகள் உணர்றெடுக்கும் அருஞ்சுளையாய், தெய்வபக்தியும், தேசபக்தியும் வீரமும் செறிந்திடும் செங்கதிரவனின் தகித்திடும் பெருந்தணலாய் கிளர்ந்து, நம் அனைவரையும் உணர்றெடுக்கும் உற்சாகமும், கனிந்து வரும் “கனியின் சுவையும் காற்றின் இயக்கமும்” கலந்தாற் போன்றதொரு நிறைவும் மகிழ்வும் பெருகிட இறையருள் கூட்டும் என மனமார வாழ்த்துகிறேன். ஜெய்ஹிந்த்.
