

PAAVAI COLLEGE OF ENGINEERING

EVENTS 2010 - 11

Dear Parents, Students and Well - Wishers.

Greetings from PAAVAI.

I welcome you to review the activities of yet another academic year 2010-2011. As usual, this year also is marked by academic activities, events, projects, functions and celebrations.

We know that education is extremely important for the development of a nation. It is entirely unimaginable and totally inconceivable in the contemporary world to think of a society or a nation sans education. It is education which contributes immensely to the growth and development in every sphere of life. Higher education, in particular, is considered to be the key factor in promoting and accelerating the process of national development. Higher education institutions, therefore, should know their role and have to play in an extremely important manner in providing knowledge through teaching and learning process. At Paavai, we realized this great cause of national importance, and each and every activity is carefully done to carry out the object of national development through our committed engineering graduates.

Statistics reveal that around 12% of the students in our country are enrolled for higher education which is rightly understood to be very low when the world's average is said to be at 23.2%. In view of this, the government has taken various steps under the guidance of National Knowledge Commission to improve this percentage to 15% atleast by 2015. To contribute to this national phenomenon, Paavai has rendered its service by way of starting its fourth engineering college along with the School of Management Studies which is well-received by the students with 100% enrollment.

Though an educational institution has the prime objective, dissemination of knowledge through its teaching-learning process, it should not forget that it should also aim at knowledge creation which is possible through continuous research. For the great job of knowledge creation, Paavai has already started the movement by way of associating itself with Microsoft, Infosys, Wipro in their Knowledge Mission. Paavai is proud to say that it is a partner in Microsoft Innovative Alliance, in Campus Connect Program of Infosys and in Mission 10X of Wipro.

Also, it is worth noted that our departments of Management Studies, Mechanical Engineering and Physics are all recognized as Research Departments by Anna University. Our Chemistry department is going to be another research department very soon. Our ECE, CSE and IT departments are on the verge of becoming recognized research departments under Anna University in the nearest future. Our placement and Training cell is functioning under the captainship of an Ex-Corporate Senior, having more than 36 yrs of experience and at present, the Placement and Training Complex is a landmark at Paavai.

Your continued support motivated our committed Principals, dedicated team of faculty, sincere and disciplined students to continuously achieve the final results with more than 96% as in the earlier years. The briefs of the activities illustrated in this newsletter will thrill you. I am so confident that with all your patronage and support we will have a most bright and prosperous year of academic excellence 2011-12 ahead of us.

STUDENTS PARTICIPATION LIST

S.No.	Name of the Students	Year / Dept.	Topic / Events	Name of the College	Prize Won
1.	R.Nithya	III / CSE	Nano Ants Using Nanotechnology	Selvam College of Technology, Namakkal	Participated
2.	G.Rumeniya	III / CSE	Virtual Reality	Sri Eswar College of Engineering, CBE	Participated
3.	S.Saranya	III / CSE	Artificial Intelligence in neural network	Anna University, Trichy	Participated
4.	V.Vinodhini	III / CSE	Nano Ants using Nanotechnology	Selvam College of Technology, Namakkal	Participated
5.	V.Vinodhini	III / CSE	Nano Ants using Nanotechnology	SSM College of Engineering, Kumarapalayam	Participated
6.	U.G.Swarnapriya	III / CSE	Redaction	SSM College of Engineering, Kumarapalayam	Participated
7.	U.G.Swarnapriya	III / CSE	Peet to Peer Network	Sri Eswar College of Engineering, CBE	Participated
8.	L.Deepankumar	III / CSE	Effective Image Compression (Conference)	Kongunadu Engg.College, Thottiyam	Participated
9.	M.Kamalanarayanan	III / CSE	Effective Image Compression (Conference)	Kongunadu Engg.College, Thottiyam	Participated
10.	C.Karthikeyan	III / CSE	Mobile Adhoc Network (Conference)	Kongunadu Engg.College, Thottiyam	Participated
11.	S.Nancy Sherly	III / CSE	Mobile Adhoc Network (Conference)	Kongunadu Engg.College, Thottiyam	Participated
12.	B.Deepa	III / CSE	Application of face recognition	Kongunadu Engg.College, Thottiyam	Participated
13.	G.P.Karthika	III / CSE	Transformation of sine wave using finger prints	Kongunadu Engg.College, Thottiyam	Participated
14.	A.Gowthami	III / CSE	Transformation of sine wave using finger prints	Kongunadu Engg.College, Thottiyam	Participated
15.	M.Maheswari	III / CSE	Dual Tree	Kongunadu Engg.College, Thottiyam	Participated

PAAVAI - MANTRA

Own Our Words and Deeds

STUDENTS HAVE STRONG FAITH ON THE FOLLOWING PRINCIPLES OF PAAVAI

We, the students of Paavai Educational Institutions, are very much aware that we are prepared to cherish and uphold the paavai principles such as Refined Culture and Rich Values. We are taught a kind of education on the Paavai Campus which is based on the modern and humanistic thoughts, which enable us to promote the peace of mankind in general.

The Paavai Campus, where we receive the creative energy to translate our lofty dreams into meaningful and constructive actions, inspires us into a realization that it is our responsibility to take care of the welfare and security of the brothers and sisters with whom we study here.

We whole - heartedly believe that we would recognise and respect the love, affection, care and concern of our parents and teachers, and also follow their well-meant guidance and disciplining instructions and come up in life with flying colours.

- This pledge is taken as an oath by the students on every occasion in Paavai

WE BELIEVE...

The young sage of India, Swamy Vivekananda, has established the greatness of Indian culture and the identity and the sovereignty of this Land of 'Vedha and Sathya' by addressing the participants from the core of his heart as "Brothers! and Sisters!!" in the world Religious Conference, held at Chicago, America.

In the same manner, Paavai strongly emphasises the friendship with fraternal affinity with the goal of attaining knowledge mingled with pure affection and without any expectation and servility.

In Paavai premises, a girl student will address her co-girl student as 'Sister' and her co-boy student as 'Brother' and similarly a boy student will address his co-boy student as 'Brother' and his co-girl student as 'Sister'. This practice is already in vogue, cent percent on the Paavai Campus.
