

PAAVAI COLLEGE OF ENGINEERING  
NEWS LETTER JUNE-2022 TO MARCH-2023

**CHAIRMAN'S MESSAGE**

Dear parents and students!

I deem it to be a matter of immense delight to address you. It is indeed inspiring to witness that the college has carved a name for itself in the academic scenario of the region. Education is the most powerful tool to bring desirable changes in students' personalities and produce positive changes in our society. It is the guiding torch that enables you to move from darkness to brightness.

I believe that the newsletter of Paavai Engineering College will serve as a window through which the complete profile of the academic and co-curricular activities, achievements, and progress made during the academic year 2019-2020 can be viewed.

It gives me immense pleasure, to affirm that our foremost venture is to create an ambiance for nurturing innovation, creativity, and excellence in our students by preparing the young engineers and managers to confidently and competently face the challenges of intensifying competition using imparting high quality technical and managerial education coupled with appropriate training and wide exposure to the state-of-art practices. Our educational programs emphasise all-round personality development and also inculcate human values and professional ethics which help our students become more humane and socially lead a meaningful life. Paavai also places its splendid impression on sports. We won Champion of Champions in the Anna University Sports Meet for the sixth consecutive year which is enough to stand indication that Paavai aims to nurture all-rounded personalities.

In Paavai, we encourage students to take initiative towards their careers and also support them in achieving them. Institution Innovation Cell of our college has been awarded by the Indian Ministry of Education with 4.5 stars for promoting innovation and start-up opportunities on the campus. The Institution of Engineers awarded our college with Innovation and Sustainability Award on 52<sup>nd</sup> Engineers' Day Celebration. Our respected Principal was awarded the Best Student Chapter Award by Tamilnadu ISTE at their 21<sup>st</sup> Annual Convention.

I believe that the foundation of Paavai is based on hard work, open communication, a strong emphasis on teamwork, and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present-day challenges but also nurtures individual responsibilities to the society and our nation at large. This is further cemented by the 'Best NSS Unit' award, bestowed by Anna University, Chennai. The service of Paavai in creating personally mature, professionally equipped, and service-oriented graduates is worth mentioning and here no compromise is made on teaching standards or

discipline. I'm happy to announce that our student, R. Sweshikha (ECE), has participated in the republic day parade in New Delhi and our students are participating for the third year.

I would also like to take this opportunity to extend my thanks to our academicians and the team. I also congratulate all those who, by their earnest and sincere efforts, are behind the success of Paavai. Best wishes for success and a bright future.
