Event Description :

Our Paavai college of Engineering was conducted an One Day National Level Seminar “The Current State and Perspective Lithium Air Batteries Towards Automotive Applications” S Lingeswaran,M.E., Trainer,Paavai IAS Academy on 09.10.2019for UG students to provide valuable insights. The Aptitude Training Programme is designed to enhance individuals’ problem-solving and analytical skills, crucial for success in today’s competitive environment. This comprehensive program focuses on developing logical reasoning, quantitative ability, and critical thinking through a series of targeted exercises and interactive workshops. Participants engage in practical exercises that simulate real-world challenges, enabling them to refine their skills in a structured setting. By emphasizing both theoretical concepts and practical applications, the program equips individuals with the tools needed to excel in various assessments and job interviews. Ultimately, the Aptitude Training Programme aims to build confidence, boost performance, and open doors to new career opportunities by fostering a robust foundation in essential cognitive skills.
