PROGRAM REPORT

MOHAMMAD AZARUDEN shared his thought about skill development on 22.7.2023

  The Department of Artificial Intelligence and Data Science held a workshop on the topic of "Microsoft Azure Platform" at Brilliant Hall. The keynote address was delivered by the Guest Speaker, Mr. Z. Mohammed Azarudeen, an Associate Consultant and Azure DevOps expert at Elcot IT Park, Eviden. He discussed successful job placement strategies and underlined the importance of skills required in software companies. He recommended that students pursue cloud computing and Microsoft-based courses, which offer plentiful job opportunities globally. In the afternoon session, Mr. Azarudeen provided training to students on creating a chatbot in the Microsoft Azure platform. The students engaged with the guest speaker and gained valuable knowledge. The Microsoft Azure Immersion Workshop: Innovate with AI is a free workshop aimed at helping you maximize the benefits of Azure AI. This workshop is designed for architects, IT professionals, data engineers, scientists, analysts, and developers. It offers hands-on practice with Azure AI through an immersive, guided, and collaborative lab experience.
