Event Description :

Our Paavai College of Engineering organized an NSS trekking and tree planting programme on 29.08.2019 Dr. HEPSI RECHAL CHELLARANI, Principal, Paavai Nursing and Research starting this programme. The primary aim, which is to promote student involvement in the community, collaboration, and physical fitness. This program complemented the NSS's goals of encouraging environmental awareness and personal growth. The one-day trekking program went from Paavai College of Engineering to Kali vartha Perumal Karadu, Pachal. Under the direction of 15 staff members and an NSS program officer, 70 NSS students took part in the program. The participants were chosen on the basis of their dedication to NSS projects such as cleaning, planting trees, and gathering plastic waste. In summary, the hiking program enhanced students' physical stamina and strengthened their dedication to environmental conservation and community engagement. The encounter taught me important lessons and set.
