Event Description :

An "Intensive Voters Awareness Program" was held for the students by our college's NSS unit. The programme chief guest is Dr. S.UMA, IAS, the district collector of Namakkal. B.V. Maheswaran, the Paavai College of Engineering NSS Program Officer, made the welcome speech. Following the welcome speech, the chief guest is given the floor.

In the chief guest's speech, introduce the concept of voting by explaining its critical role in democracy. Voting allows individuals to influence how their country or local community is governed, making it a fundamental aspect of democratic participation. Emphasize the importance of being an informed voter: research candidates, policies, and issues thoroughly to make educated choices. Understanding various viewpoints and platforms ensures that you select representatives who best reflect your values and address your needs

The Registration Process Provide information on how and where to register to vote, including age requirements and necessary documentation. Encourage students to check their registration status and update it as needed. Voting various voting methods, such as in-person voting, absentee ballots, and early voting. Discuss how to find polling places and what to expect on Election Day. The session ended with vote of thanks by Principal, Paavai College of Engineering.
