Event Description :

Our Paavai College of Engineering conducted an Orientation Programme on “Learning and Training in the Japanese Language” on 14.08.2019. led by Mr. G. Ravikumar from the J.L.P.T. Centre for Foreign Languages. This initiative aimed to provide undergraduate students with valuable insights and guidance for their language journey. Through engaging lessons, participants not only learned to communicate effectively in Japanese but also explored the subtleties of Japanese etiquette and customs. The course fosters an appreciation for Japan's rich contributions to art, technology, and global culture. By mastering the Japanese language, students acquire essential skills that create diverse opportunities, promote cross-cultural understanding, and establish meaningful connections worldwide.
