PROGRAM REPORT

HAYATHBASHA he gave the importance of goals and hard work on 3.9.2022

Venue: brilliant hall

The Department of CSE and AI&DS organized an alumni guest lecture program titled “Mainframes – The Big Iron of Computing World”, the keynote address was given by the guest speaker Mr.HayathBasha, Kyndryl India (IBM GTS), Senior System Z Programmer, Bangalore. He expressed his sincere gratitude towards the College for their support and guidelines. He shared his experience as a student which gave him confidence to face the real world outside the campus. The session was carried on the title “Mainframes – The Big Iron of Computing World”. He shared news about the uses of mainframes and applications of mainframes in our active life. He advised the students to pay attention to their goals with hard work and regular practice to prove our self in the world. He expressed his skills in his presentation. He motivated the students to kindle their thoughts to achieve their goals. Next, he moved to the importance of technical skills which will be useful in their career growth.
