Maheswaran welcome speech. Paavai College of Engineering NSS Programme Officer The chief guest is given the floor following the welcome speech.

In chief guest Speech, She advised the students, there are many health issues, which remain silent until it is in a late stage. We do not easily notice the early warning signs of health conditions such as hypertension, cancer, diabetes, kidney problems, and so on. If you want to become a donor, then it is your responsibility to take care of yourself and ensure that you are not spreading any disease.

She provided valuable information and raised awareness about AIDS. He concluded by discussing the benefits of blood donation, including its role in stimulating blood cell production, supporting weight loss, maintaining a healthy heart and liver, and offering potential anti-cancer advantages. The students actively engaged with the resource person, asking questions and clarifying their doubts. The session concluded with a vote of thanks delivered by the Principal of Paavai College of Engineering.
