11. ADMISSION PROCEDURE

Government Quota

No Entrance Test, Single Window Counselling following communal reservation. Merit base on cutoff marks obtained in Mathematics (100) + Physics (50) + Chemistry (50) in Higher Secondary Examination

12. CRITERIA AND WEIGHTAGES FOR ADMISSION

a) Description of Criteria & Weightages

Marks obtained in Mathematics, Physics & Chemistry of HSC Examination

b) Details of minimum level of acceptance, if any.

The minimum level of acceptance was based on the category upto:

OC	-	50%
BC	-	45%
MBC	-	45%
SC /ST	-	45%
NRI	-	Not Applicable

13. LIST OF APPLICANTS

Management seats are allotted through consortium of self financing professional colleges in Tamilnadu

14. RESULTS OF ADMISSION UNDER MANAGEMENT SEATS / VACANT SEATS

- Score of individual and candidate admitted arranged in order merit:
- Ranking based on Mathematics, Physics and Chemistry marks obtained by the candidate
- List of candidates who have been offered admission for the academic year 2025-2026

Extra Curricular Activities

Rain Water Harvesting

- Institution is collecting the rain water from all our building and is stored in our biggest Rain Water Harvesting pond namely ‘Amrithadavarshini’ of size 270’× 180’× 18’ with a storage capacity of 2 crore litres.
- Because of this initiative all our bore wells RO water purifiers are supported throughout the year and nearby thousand acres of land are benefitted
- The infiltration of surface water into subsurface aquifers before it is lost as surface runoff.
- The lawns and saplings in the garden are watered by the recycled waste water which is treated properly.

YRC

YRC volunteers of the institution participate in youth convention programs. They associate themselves with the Red Ribbon club in creating AIDS awareness through lectures, street play and video clippings. In association with St. John's ambulance service, first aid awareness and life saving tips are demonstrated to the youth who might involve themselves in safeguarding the lives of the victims.

Nature Club

A nature club is a group of young people, who spread conservation awareness in the society. Since a club represents the collective will of its members, it can generate conservation awareness in most effective manner. A Nature Club functions in our college, which does everything possible (like organizing seminars) to spread awareness about conservation of nature.

NSS

- Various Socially relevant services like blood donation camp, medical awareness camps, corona awareness camp and Tree plantation camp etc. are conducted by NSS students.
- The NSS unit regularly organize tree plantation, cleanliness awareness activities in the college.
- The College is planting trees every year with the help of the students and staffs.

Unnat Bharat Abhiyan (UBA)

Unnat Bharat Abhiyan (UBA), a flagship programme of Ministry of Human Resource Development (MHRD), Government of India. Higher Educational Institutions (HEI's) of the country adopt villages for their development. Faculty and students to be involved in village development plan in collaboration with district administration. Paavai College of Engineering is participating in UBA and adopt following villages for their development in collaboration with district administration. IIT Delhi, UBA cell invites all faculty and students to join UBA to bring for transformational change in the villages.

Health & Hygiene Programmes

Paavai Health and Hygienic Club conduct Blood donation camps, medical camps and health awareness programmes periodically. Medical facility is available on the campus for the benefit of the staff and students. A separate dispensary under the supervision of a qualified

physician is established. Sufficient effort is taken by the management to provide hygienic food in the hostel mess and canteens. Water doctors are available on each floor. The entire ambience of the college is clean, fresh and conducive.

Trekking Club

Paavai College of Engineering have various clubs & committees to develop the self-confidence and motivation of the students through various skills. To provide an outdoor experience to the learners and to be closely associated with nature, the Trekking Club has been formed. It intends to develop healthy and positive spirit among students.

Bank &ATM:

Corporation bank is located within our campus and 24hrs ATM facilities also available

Paavai -Water Treatment Plant

- The water used in the campus is recycled and used to grow trees and plants on the campus.
- The lawns and saplings in the garden are watered by the recycled waste water which is treated properly.
- Water treatment is any process that makes water more acceptable for a specific end-use, which may be drinking, industry, irrigation, water recreation or many other uses.
- Water treatment should remove existing water contaminants or so reduce their concentration that their water becomes fit for its desired end-use, which may be safely returning used water to the environment.

Motivation Programme on “You can succeeding government examination”

Paavai College of Engineering and Namakkal District Police department have jointly conducted **Motivational Programme** on 08.12.2019 to promote awareness among youngsters need to take initiative to contribute towards the growth and development of the nation .

BE A DOCTOR IN USA-MBBS (MD)PROGRAMME

Paavai Educational Institutions have signed a memorandum of understanding with the University of Xavier, Aruba, in order to facilitate the Indian students to pursue medical education at USA. In connection with this, a face to face interactive session with the eminent experts from Xavier University, Aruba was held at Paavai on 25.07.2019.

The approval is valid for two years from the date of issue of this letter. The Society/Trust/Institution shall obtain necessary affiliation/ permission from the concerned affiliating University, as per the prescribed schedule of the University/ Admission Authority etc. The Applicant Society/Trust/Institution shall send information about commencement of the above courses to AICTE. Incase the Institution could not commence the above mentioned courses for whatsoever reasons during the two years period from the date of issue of this letter, the approval becomes invalid and the applicant society/trust shall have to make fresh application to AICTE for grant of fresh approval.

The approval is further subject to fulfillment of following conditions.

1. That the management shall provide adequate funds for development of land and building and for providing related infrastructural, instructional and other facilities as per Council's norms and standards laid down by the Council from time to time and for meeting recurring expenditure.

2. Institution shall be mandatory for providing the revised information

- (a) That the admissions shall be made only after adequate infrastructure and all other facilities are provided as per norms and guidelines of the AICTE.
- (b) That the admissions shall be made in accordance with the regulations notified by the Council from time to time.
- (c) That the admissions to the courses shall be made only after the affiliating University /State Board has given permission to start the course.
- (d) That the Institution shall not allow closure of the Institution or discontinuation of the course(s) or start any new course (s) or alter intake capacity of seats without the prior approval of the Council.
- (e) That no excess admissions shall be made by the Institution over and above the approved intake under any circumstances.
- (f) That the institutions shall not have any collaborative arrangements with any Indian and/or Foreign Universities for conduct of technical courses other than those approved by AICTE without obtaining prior approval from AICTE.
- (g) That the Institution shall not allow conduct of any unapproved course whether technical or non technical in the premises of AICTE approved institution/campus and /or in the name of the Institution without prior permission from AICTE.

3. That the institution shall operate only from the approved location, and that the institution shall not open any off campus study centers/ extension centers directly or in collaboration with any other institution/ university/ organization for the purpose of imparting technical education without obtaining prior approval from the AICTE.

4. That the tuition and other fees shall be charged as prescribed by the Competent Authority within the overall criteria prescribed by the Council from time to time. No capitation fee shall be charged from the students/guardians of students in any form.

5. That the accounts of the Institution shall be audited annually by a certified Chartered Accountant and shall be open for inspection by the Council or any body or person authorized by it.

6. That the Director/Principal and the teaching and other staff shall be selected according to procedures, qualifications and experience prescribed by the Council from time to time and pay scales are paid as per the norms prescribed by the Council for time to time.

7. (a) That the institution shall furnish requisite returns and reports as desired by AICTE in order to ensure proper maintenance of administrative and academic standards.

(b) That the technical institution shall publish an information booklet before commencement of the academic year giving details regarding the institution and courses/programmes being conducted and details of infrastructural facilities including faculty etc. in the form of mandatory disclosure. The information booklet may be made available to the stakeholders of the technical education on cost basis. The mandatory disclosure information shall be housed in the Institution Web-Site. The information shall be revised every year with updated information about all aspects of the institution.

*Sub. All
31-10-18*

(c) That it shall be mandatory for the technical institution to maintain a web-site providing the prescribed information. The website information must be continuously updated as and when changes take place.

(d) That a compliance report in the prescribed format along with mandatory disclosure on fulfillment of the above conditions, shall be submitted each year by the Institution within the time limit prescribed by the Council from time to time.

(e) That if Technical Institution fails to disclose the information or suppress and/or misrepresent the information, appropriate action could be initiated including withdrawal of AICTE approval.

8. That all the laboratories, workshops etc. shall be equipped as per the syllabi of the concerned affiliating University and shall be in operational condition before making admissions.

9. That a library shall be established with adequate number of titles, books, journals (both Indian & Foreign) etc as per AICTE norms.

10. That a computer center with adequate number of terminals, Printers, legal software etc. shall be established as per AICTE norms.

11. That a Refundable Performance Guarantee Fee (RPGF) shall be deposited with AICTE, New Delhi for an amount and period prescribed by the Council from time to time.

12. AICTE may carry out random inspections round the year any time for verifying the status of the Institutions to ensure maintenance of norms and standards.

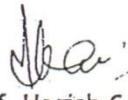

13. That the AICTE may also conduct inspections with or without notifying the dates to verify specific complaints of mis-representation, violation of norms and standards, mal-practices etc.

The additional Intake is being granted, based on the projections shown in the Detailed Project Report regarding additional built up space, faculty and other facilities for the proposed intake. It may be noted that all facilities including additional built area and faculty should be made available before the commencement of the next academic session. Random surprise inspection would be carried out to verify facilities and if the Institute is found deficient in fulfillment of Norms & Standards of AICTE, appropriate action would be initiated by the Council.

Please note that all other terms & conditions of the earlier letter referred above will remain unchanged.

Yours faithfully,
